Objectives of Society:

The primary objective of the Society

- i. To advance the science of acoustics by creating an organization that is responsive to the needs of scientists and engineers concerned with acoustics problems all around the world.
- ii. To propagate Acoustics through symposiums and other activities.
- iii. To provides opportunities to its members to enhance their knowledge by exposing them to special lectures organized time to time.
- iv. To publish research journal, “the Journal of Acoustical Society of India (JASI)” quarterly by the Acoustical Society of India (ASI).Which includes refereed articles, technical notes, letters-to-the-editor, book review and announcements of general interest to readers.
- v. To build a network of national chapters and disseminate all information on Acoustics and ASI activities.

Eligibility for Membership:

a. Life Member: Candidates for admission as members should have a bachelor’s degree with 3years of experience in teaching/research in acoustics or be holding a responsible position in an industry. These requisites may be relaxed at the discretion of the Council in exceptional cases.

b. Life Fellow:

- i. Application must have been a Life Member of ASI for at latest five years as on date of application.
- ii. Application must have contributed significantly to the or to the field of Acoustics in general over a considerable period of time.
- iii. Applicant of Fellows and norms as mentioned above were ratified by GB.

c. Institutional Benefactor: Any institution trust or foundation which contributes not less than Rs. 25000/- to the Society could be admitted as a institutional benefactor.
